The regular menthly meeting was held in the dining room of the Prescott Hotel, with the President B.Stotesbury in the chair. Fellowing the dinner and a Teast to thr Queen. the following visitors were introduced namely S.V.Gray, John Ruddy and Stan Salter a pst president of the Montreal Chapter. A brief recess was then called.

Minutes of the previous or Charter night were read and adapted . Letters of Congratulations where read from Minnesota and Oklehema. The Treasurer reported a balance IN new business the matter of dues, cost of of \$81.71. dinner and gratuities where discussed. It was recommended that this matter be taken up with the Board of Governors. for report at the next meeting. Speakers for future meetings were then requested from the floor to report to the Mr. Walker suggested we might be able to get speakers form the local Industrial Power Engineers. was then suggested that members phone someone on the executive if they are going to attend the meetings and din⇒ ner so that we might be able to inform the hotel as to how many are to be prepared for.

Mr. Ostiguay then introducted the speaker Mr. F. Walker Engineer at the Ottawa Civic Hospital, Ottawa, who presented a paper entitled "Steam or Hot Water ???". Mr Walker concluded that numerous attempts have been made to analyse this problem, but no definite results are available that would pin-point the correct selection of systems to meet the vast assortment and combinations of conditions and specific requirements encountered in the heating business. Mr Don Banton thanked the speaker. The meeting was then adjourned.
