The April meeting of the Ottawa Valley Chapter was held at the New Prescott Hotel at 7 pm.

The president opened the meeting with a toast to the Queen. The minutes of the March meeting were read and on a motion by I. Goodman, seconded by G. Richards were carried unanimously.

Geo. Ostiguy then presented B. Stotesbury with the past president's pin for 1952-1953.

Further nominations for the executive, in addition to those presented by the Nominating Committee were then asked from the floor. A motion by E. Barber that nominations close was seconded by G. Richards.

The president then appointed E. Barber, J. Green and A. Gray to the auditing committee, and named D. MacDonald, G. Place and A. Orr to be scrutinaers for the elections at the May meeting.

The floor was then given to Bill Robinson who gave the agenda for the next meeting which would include elections and installation of officers for the 1954-1955 season. The speaker for the next meeting will be Mr. Phipps of Preston-Phipps I.,c. whose subject would be "Ash Handling Equipment". Mr. I. Goodman then introduced the speaker Mr. B. Judges of Toronto who would speak on refrigeration.

Mr. Judges then explained with the use of slides the basic refrigeration cycle and proceeded to explain in more detail, the used of the various types of equipment together with the

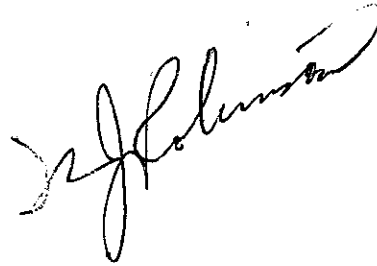

importance of proper selection of the equipment, such as the evaporator, compressor, condenser, and expansion valve.

He then compared the different types of equipment such as the flooded evaporator against the direct expansion evaporator, water cooled condenser against the air cooled condenser and the reciprocating compressor against the centrifugal compressor.

He also touch on the various methods of capacity control of compressors and the various refrigerants used today.

The speaker was then thanked by S. Smith for his fine lecture portrayed with perfect clarity and easily understood by all present.

A motion was then made by J. Partington that the meeting adjourn, soconded by H. Nault and carried unanimously.

A handwritten signature in cursive script, likely belonging to J. Partington, is written in the lower right quadrant of the page. The signature is slanted and appears to read "J. Partington".
