The first meeting of the Capter for the 1956-57 season was held on October 16th at the Prescott Hotel, commencing at 7 p.m. with the President, Don Banton presiding.

The business meeting was called to order at 8 p.m.

The minutes of the meeting were read and adpoted as read.

Don Smiley introduced two new members, John MacDougall and James Sinfield.

The President reported that the golf tournament last spring at Lachute was a success. There was a good turn out and everybody enjoyed themselves. Ed Loen had succeeded in making a hole-in-one.

It was moved by V. Berton, seconded by S. Bullis that Chapter dues for members accepted after the first of March by the parent body would be waived for the year ending May following. Carried.

J. Klassen reported that the first meeting of the Education Committee held at the Technical High School was a success. 35 people attended this lecture and the majority indicated that they desired to attend future lectures that may be given. The Education Committee will hold further meetings regarding future lectures. A request was made on behalf of the Education Committee that members bring in old ASHAE guides that could be made available to interested parties attending such lectures.

J. McCaughey reported that the Christmas Party will be held Friday, December 14th, and he will make arrangements for entertainment as in previous years.

J. Klassen reported that possibly the local Chapter should investigate cooperation with local authorities in an endeavour to have local by-laws affecting heating, ventilating and air-conditioning, and oil burning brought up to date.

The speaker of the evening, Mr. Harold A. Lockhart, Vice President and Chief Engineer, Bell and Gossett Company, was introduced by Don Banton. The speaker had had many years' experience with problems affecting operation of hot water heating systems. The topic of the evening was "Point of Zero Pressure Change in Forced Hot Water Heating System". A lively discussion period followed. Don Smiley thanked the speaker.

The meeting was adjourned at 10:15 p.m.
