The March meeting of the Ottawa Valley Chapter was called to order by President Fortier at 7.00 p.m. sharp.

Guests who were introduced from the head table included Dr. Miller, D. McCredie, and G. Patterson of Carleton University along with our Speaker, Mr. Gordon McRostie.

The minutes of the February Meeting were adopted as read by J. Bowie; and seconded by D. Hearnden.

Al Oakes gave an account of the local curling teams adventure to the Montreal Chapter Curling Bonspiel. Although, they did not come home with the first prize, it is understood that they gave a good account of themselves. An enjoyable time was had by all.

Jake Klassen was appointed to head a committee to fabricate a new A.S.H.R.A.E. meeting sign which would be displayed at the entrance door to our meeting area. This was passed in a motion by J. Bowie; seconded by Stan Bullis.

President Fortier called upon Dr. Miller to say a few words with regard to the development of the Engineering Dept. at Carleton University. Dr. Miller then thanked the Chapter for their Annual Gift; and also introduced the prize winning candidates messieurs McCready and Patterson. Both these students presented an outline of their prize winning essays.

Mr. Gordon McRostie, the speaker of the evening, was introduced by A. Oakes. Mr. McRostie had just completed a combined business and pleasure trip to Russia, and he was able to relate to us some of his experiences in this sector of the globe. He also talked of various construction methods used in Moscow; as well as discussing some of the economic differences etc. that he discovered in that Country.

Mr. McRostie was thanked on behalf of the Chapter by Mr. W. Miller.

The Meeting was adjourned at 10.30 p.m. on a motion by A. Leithead. This was seconded by G. Carscallen. The usual happy and entertaining social hour followed.
