The May Meeting of the Ottawa Valley Chapter was called to order at 7.10 p.m. at the Cathay House by President Fortier.

The Minutes of the April meeting were adopted as read on a motion by Robert Legare. This was seconded by A. Leithead.

On a motion from the floor by M. Schwartz, it was decided that in future, April meeting notices would stipulate that a 6.30 p.m. call to order would be enforced. This would be done as past experience indicates that the hockey play-offs interfere with our guest speakers presentations. This motion was seconded by Al. Oakes.

Treasurer D. McKeen gave a report on the year's financial status, and indicated that our total assets to May, 1962 (including our \$250.00 bond) amounted to \$1215.71. Treasurer McKeen also mentioned that our prepayment meal programme finally ended up with a slight increase in revenue for the Chapter.

President Fortier called upon Al. Simonds and R. Macpherson to give reports on their respective Committees. Mr. Simonds discussed the results of the local U.N.C. Fund, while Mr. Macpherson advised that the Membership Committee had reached its quota for the past year.

The election for a new slate of Officers for the year 1962-63 was held. The results were as follows:

President-	J. Partington
Vice-President-	I. Paterson
Secretary-	D. McKeen
Treasurer-	G. Goodhoy

The Board of Governors to consist of:  
G. Carscallen, H. Charles, A. Leithead.

President Fortier then thanked the outgoing executive and turned over the gavel to new President Partington. President Partington then took over the meeting and generally discussed the plans that he had for our local Chapters operations for the coming year.

Jake Klassen was asked to admit past President Fortier into the Past President's Club. Mr. Klassen did this with appropriate comments. A silver tray was also presented to Mr. Fortier by Mr. Klassen on behalf of the Chapter.

The evening was completed by a showing of a movie produced by the Telephone Companies of Canada. This movie dealt with some of the problems encountered with the building of the HSW line.

The meeting was adjourned at approximately 10.15 p.m. on a motion by T. Allum. This was seconded by D. Ferguson.
