Ottawa, Ontario K1Y 4J4

MARCH 1974

MARCH MEETING

Date: Tuesday, March 19, 1974.
Time: 6 P.M. Social; 7 P.M. Dinner.
Place: Cathay House, Albert Street.
Topic: "THERMAL LIQUID SYSTEMS"
Speaker: Mr. Jacques Guenette,
Product Manager,
Thermal Liquid Systems,
Volcano Limited.

Thermal Liquid Systems is a new topic for our Chapter meeting and it deals with the use of mineral oils rather than water, as the heat transfer medium in high temperature systems. The use of mineral oils makes possible the use of low pressure piping systems for high temperature work.

Our speaker will discuss some of the other advantages and the problems with this design concept.

PRESIDENT'S MESSAGE

Our nominating committee, under the chairmanship of Bill Robinson, will be submitting their list of nominees for next year's slate of officers to the membership at our March meeting. Ordinarily nominations would be received from the floor at our April meeting for alternate names to those on the nominating committee's list. As our April meeting is being combined with the CRC activities this will not be possible this year.

Members who wish to nominate alternate candidates are requested to submit the name, together with a seconder and the nominee's approval, to our secretary Charles Hobbs prior to April 19, 1974. All candidates' names will be published in the May newsletter prior to our election meeting.

Elsewhere in this newsletter is information on registration fees and tickets to the Chapter's Regional Conference (CRC). You will note that members can save money by pre purchase of the package. This will assist our CRC committee in final planning and also help ensure the success of the conference. Tickets will be available for purchase at the March meeting or can be obtained from Ted Digel, Trane Co. of Canada Ltd., 32-H Bentley St., Ottawa, Phone (613) 825-4547.

Lorne Wilson

CHAPTER CURLING BONSPIEL

The Chapter Curling Bonspiel was held at the Ottawa Curling Club on Feb. 28. The Trophy was won by Marv Whalen and his rink of Bob Pavia and Mike Acton. We don't know if the missing man was the lead or the skip. The runner up rink was skipped by Lorne Wilson, with Ray Young, Ted Horricks and Bob Caves completing the foursome.

ASHRAE RESEARCH

Again it is time when the Ottawa Valley Chapter is asked to assist the Society in the raising of funds for the continuation and expansion of its Research Program. Our endeavours over the past two years have been most encouraging and we are hopeful of doing even better this year. A team of canvassers is presently being formed with hope of completing the task by mid-April. If contacted, your cooperation as a canvasser will be most appreciated. Also, any members intending to make contributions could reduce the canvasser's work load by making these contributions at our March Chapter meeting.

CHAPTER'S REGIONAL CONFERENCE (CRC) SKYLINE HOTEL, OTTAWA, APRIL 18-20.

COST OF ACTIVITIES

Registration	-	\$5.00
Thursday Luncheon	-	\$5.00
Friday Banquet & Dance	-	\$40.00 per couple (single tickets available)

NOTE

The Friday banquet and dance includes -

- Pre Dinner Drinks
- Dinner with Wine
- Liqueur or After Dinner Drink
- Cash Bar and Dancing (Live Orchestra)

The Thursday luncheon represents our April Chapter meeting so chapter members on the prepaid meal plan need only to register to the conference to attend the luncheon. Of course the registration also allows members to take part in the complete technical and Regional Conference Program.

Those members on the prepaid meal plan can prepurchase prior to April 18 the entire package - registration - lunch - banquet for the cost of the banquet only, i.e. \$40.00.

The lunch, technical sessions and Regional Conference Program will be available only to those registering to the Conference.
