Order of Engineers of Quebec.

Special  
Guest: Mr. George Menzies, ASHRAE  
Region II, Chairman will attend our  
October meeting, to bring us up to date  
on Society activities.

## PRESIDENT'S MESSAGE

Your Board of Governors has agreed that this year we should attempt to provide more information in the Newsletter about the various Chapter Committees and their activities. You will see elsewhere in this issue information on membership of some of your Committees and this will become a regular feature. I want to use this space to tell you about an activity being initiated by your Education Committee, which has gotten off to a flying start. This is a Students Award Program which has been accepted by your Board as a pilot study. The plan is to make available three separate awards of \$50.00 each for students at Ottawa University, Carleton University and Algonquin College. The Awards are to be made for excellence in a term paper, thesis, or similar project dealing with a subject directly related to the arts and sciences of heating, refrigerating and air conditioning. These would normally arise from the student's regular school programs and screening would be done by faculty representatives at each institution, who would transmit up to five of the best submissions for consideration by Chapter. The Education Committee is currently developing guidelines for judging the suitability of a submission for an award. The objective of the program is to motivate students at the three institutions in studies related to ASHRAE interests. The Education Committee has met with faculty and student representatives and has had an encouraging response. The Committee, the membership of which is given elsewhere in this Newsletter, is to be congratulated on its initiative.

Grant Wilson.

## NEW MEMBERS' NIGHT

The Board of Governors declared the October meeting as New Members' Night.

This will be your opportunity to greet and meet the new Chapter members.

All new Chapter members attending will be eligible to participate in a special (surprise) draw.

## OBITUARY

We note, with regret, that Charles W. Watson, Charter Member and Past President (1957-58) passed away recently.

(over)

## FUTURE MEETINGS

## TRANSFERS IN FROM OTHER CHAPTERS

Gabriel Laszlo	Dalton McIntyre	Melvin Ruller	Joseph Torrens
Alfred Marquis	Maurice Robert	Francis Seevaratnam	Frantisek Vaculik

## ANNUAL GOLF TOURNAMENT

The annual golf tournament was a great success due to the large turnout of golfers and the excellent weather.

Charlie Hobbs, was low gross winner and Roy Beckman was low net winner.

The only mishap of the day was a flat tire on early bird draw winner George Carscallen's car. George doesn't suspect foul play but says he will be taking fingerprints at the October meeting.

## ATTENTION - AUTHORS

Articles, news items, notes and ideas of general interest intended for publication in the NEWS-LETTER may be sent to the Newsletter Editor:

Gabriel Laszlo,  
752 Garner Ave.,
