

December 1981

PLAN NOW- JANUARY 19th EXCURSION

A Tour of the remarkable D.O.T. TRAINING CENTER in Cornwall will be held on January 19th as follows:

12;00 Bus leaves Billings Bridge Shopping Plaza.

Participants are to park their cars in the area in front of LOBLAWS as near to Riverside Dr. as possible (next to Mr.Doghnut Store). Parking is FREE.

13;20 Short introductory film in Lecture Theatre on "operations".

13;45 Light lunch in Banquet Room.

14;30 Walking tour through some of the 14 acres of buildings concentrating on unique architectural and mechanical systems designs.

15;30 Presentations and panel discussions in Lecture Theatre by: Mr.Bert Cinquina , operations; Tom Rogers, & Kevin Barrett, heat-pumps and related systems; Ray Young, heat exchangers; Dave Palmer, architectural & mechanical.

17;00 Bus departure(returning to shopping centre at 18;15 in time to get to the Evening Chapter meeting for those who are interested in the additional related topics offered).

Note: Some discussions will also be offered on the bus. This huge modern facility was constructed as a training centre for marine and air traffic supervisors incorporating "flight simulators" and radar equipment. The architectural and HVAC designs are energy efficient and help make this a "One-of-a-kind" installation in North America, hence you are asked to reserve space early as this excursion will no doubt be a sell-out!!

RESERVATIONS: Call one of the following before Dec.24 :
