PRESIDENT'S MESSAGE

At the January meeting, the motion to not participate in the points system of rating chapter performance was defeated by a vote of the members present.

Some members have requested that we conclude our meetings by 9:00 p.m. At the February meeting, we will start the meeting at 6:30 p.m. rather than at 7:00 p.m. which has been the usual time.

I would ask that all members consider which time they would prefer to start the meeting. A vote to determine the preferred time will be taken at the February meeting.

I have noticed that attendance by A.S.H.R.A.E. members at chapter meetings has been decreasing yearly. Particularly noticeable is the absence of the older members who were very active in past years.

Our monthly meetings are meant to give you the opportunity to meet with fellow members, to discuss business, to socialize, to meet new members, enjoy a good meal and perhaps add to your knowledge by listening to an interesting speaker. So be sure to reserve Tuesday evening, February 16, for A.S.H.R.A.E.
