MEETING

Date: October 16, 1984
Time: 5:00 - Technical Discussion
5:30 - Social
6:30 to 8:00 - Dinner
8:00 p.m. - Program
Place: Cathay House Restaurant
228 Albert St. (upstairs)

PROGRAM

Our speaker for the evening will be Mr. Thomas C. Barber, partner of Burke-Robertson, Chadwick and Ritchie, Barristers. The subject of his presentation will be on "contract law"; its obligations, limitations and consequences. This subject will be of equal interest to owners and contractors to ensure a workable agreement is reached, and a fully satisfactory product is achieved. Come join us for this presentation.

TECHNICAL DISCUSSION

The October technical session will be on the subject of "Evaluation of Buildings Following Completion of Retrofit", to be handled by S. Dubash.

SPECIAL EVENTS

Our Annual Golf Tournament on Sept. 13 at Mont St. Marie was very enjoyable with 82 golfers participating. The winners were -

Board of Governors	
1st Low Gross	Dick Chiarelli
Dunham Bush	
1st Low Net	Roy Kennedy
Jim Moor	
Low Gross (Guest)	Bob Dube

We wish to thank all the companies who contributed prizes, and especially McKee-Lockart Assoc. As their prize arrived late we used it to pay for the scoring tabulation.

We are working on a special "Ladies Nite". Watch for details in your next Newsletter.

Ted Horricks

CHAPTER PRESIDENT'S MESSAGE

As we are approaching the mid-point of the 1984-85 operating year, let us review what course the Chapter is on.

The Golf Tournament was a success. Our congratulations should go to the organizers: Ted Horricks, Dave Pullyblank, Ross King and George Carscallen.

The first Chapter meeting was also a success. It started with a well attended and very interesting tour on CAD equipment. The main speaker of the evening, Bob Bycraft, delivered an interesting talk on CAD applications in the sheet metal industry. The last year Program Committee, chaired by Winston Hetherington and this year Education Committee, chaired by Peter Sauer deserve the credit.

The Education Committee is again on the right track. It is currently visiting the local college campuses to recruit student members. Please assist them by sponsoring a student at one of the Chapter meetings.

The membership Committee, chaired by Bev Neill, was also busy during the summer and the results are already showing up. Please help them in their efforts to make Membership Night at the October meeting a success. You should realize that you are a member of this committee automatically.

The Energy Management Committee lost some time due to the resignation of its chairman. The new chairman, Frank Berry, is preparing a challenging program and is looking for more members. Please, don't turn him down.

This year's Program Committee Chairman, Les Jones, has ambitious plans. He also needs additional committee members. Please give him a call. You will find the work on this committee very rewarding.

I am pleased to present to you such a review of the first half of the Chapter's operating year and am grateful to all Chapter officers, governors, committee chairmen and members for making it happen.

The Chapter is again on the right course this year. Help it to stay there.

Frank Vaculik
President

REQUEST FOR HELP ON PROGRAM COMMITTEE

Anyone interested in serving on the Program Committee should contact L. Jones at 233-2759. The Program Committee is responsible for obtaining speakers for our monthly meetings and I am looking for a number of members to help me organize this activity and to take responsibility for introducing a single speaker.

L. Jones

GUEST WHO'S COMING TO DINNER

Our guests at Chapter Meetings are easily identified by red pocket name tags. Please make them feel welcome. They are our future members!

SPONSOR A STUDENT

The Educational Committee requires membership support to underwrite costs of a student attending a meeting. Co-sponsors will also be accepted. Please contact the Educational Committee if you wish to sponsor a student.

P. Sauer

QUESTIONS ... QUESTIONS ... QUESTIONS ... ?

Return of chapter questionnaires on "Membership Statistical Data" has progressed at a very good rate. Some 40 members have responded to date.

The information will be used to streamline our computerized Chapter data bank. We can then cater to members' interests in a more personal way while we draw on the tremendous resources available in our Ottawa Valley Chapter.

Do take a few minutes to fill out your questionnaire and update us on address, type of employment, ASHRAE membership status, past/present/future chapter related interests and possible sponsorship of a student.

S. Jol, Treasurer

BUSINESS CARDS

The Ottawa Valley Chapter of ASHRAE is now accepting business cards for advertising in the news letter as approved by the Board of Governors. The rates are as follows:
