CHAPTER PRESIDENT'S MESSAGE

By the time you receive this Newsletter, most of the 1984-85 Chapter year activities will be over. However, besides the two remaining Chapter meetings on April 16th and May 21st, there is still one other important event which we must successfully pull off together.

As announced previously, our Chapter is hosting this year the Chapter Regional Conference on May 15 - 17. The organizing committee, chaired by George Carscallen, has concluded the main preparations. The committee is now looking for many volunteers who would help with various chores, such as transportation, reception, etc. Please don't turn George or any of the committee members down when they call you and ask you to help.

Looking back on the year, we have had three very successful social events: the Golf Tournament in September, the Ladies' Night in February and the Curling Bonspiel in March. All three events were organized by Ted Horricks, the Chapter Governor, whom we all owe many thanks for his efforts and devotion to the Chapter. Excellent job, Ted!
