**PRESIDENT'S MESSAGE**

It is a pleasure to welcome you back to this year's ASHRAE activities, beginning with the annual golf tournament.

Tremendous support from the Chapter has resulted in successful golf tournaments in the past and we look forward to the same this year - with your support. Our thanks to all responsible for organizing this event.

You have probably noticed your enclosed Chapter Membership renewal reflects a modest increase in the

Meal Plan cost. The impact of the GST on our catering costs and the necessity to operate within a balanced budget are identified as the main reasons for this.

September's issue of *Capital Communiqué* will provide more details on our first Chapter meeting on September 18th. In the meantime, please encourage potential new members to join our chapter!

**Byron Landry.**

## TABLE TOP DISPLAYS

As a result of recent changes to appropriate rules concerning Table Top Displays at Chapter Meetings, Chapter members are now permitted to sponsor Table Top Displays of products, services, equipment and systems, subject to the following restrictions:

- the display will not interfere with the technical or business session;
- the surface area of the display is limited to 4 dinner tables placed adjacent to each other;
- only one display per Chapter Meeting will be approved.

This presents a good opportunity to raise the profile of your company's products and services to a broad audience of fellow Chapter members and guests. Reservations with advanced payment are now being accepted for the displays at our upcoming 8 Chapter meetings, at a cost of \$150, per monthly display. Please contact Chris Frauley at 232-3511 for further details.
