JULY 1995

The ASHRAE Golf Tournament will be held, once again this year at Manderly on the Green Golf Course. The date will be *Thursday, August 17th*, with a 1:00 p.m. Shotgun start.

The cost is \$60.00 per golfer, taxes included. The \$60.00 fee includes the green fee and a Hip of Beef Dinner. Electric carts, if desired, must be booked directly with the Manderly Pro Shop, (489-2066) for an additional \$24.00, plus taxes.

We have room for 36 foursomes (144 golfers), please contact Randy Cavill or Chris Healey at 225-9774 to reserve your group. First come, first served.

Stan Millross has graciously offered to act as Master of Ceremonies at Dinner. Every man for himself!

Randy, Chris and Stan will be contacting you for your prize donations. Your generosity in the past has made this tournament a huge success.

Remember, the best wood in your bag is usually the pencil!

PRESIDENT'S MESSAGE

This is the first President's Message from you new President for a new ASHRAE year. For ASHRAE, the year starts July 1. Very few people are aware that Canada Day is actually the ASHRAE New Year's celebration. Another well known secret.

Seriously now, the ASHRAE Ottawa Valley Chapter tries not to take itself too seriously. Chapter events include golf, curling and Bar-B-Ques at meetings. New this year will be a meeting designated as a "No Tie" event, requiring the removal of neckwear prior to the ingestion of sustenance. Perhaps we can also initiate a Foot-In-

Mouth award program; any volunteers for submissions?

During and between all these activities, the chapter continues in its purpose of advancing the arts and sciences of heating, refrigeration, air conditioning and ventilation.

See you at the golf course.

Happy ASHRAE New Year!

**NOTICE
TO ALL ASHRAE SOCIETY MEMBERS:**

Starting this year, Ottawa Valley members can pay Chapter dues with Society dues in June/July. This service is available to all assigned members, but at a single price, the basic membership fee (\$50 this year). Life members can also register as Chapter members through Society, as there is no charge for their membership.

Two alternative strategies for dealing with students/retirees

1. If you are a *student or retiree*, and eligible for the reduced membership of \$25 offered by Ottawa Valley Chapter, you should use this form to pay Chapter dues and ignore the Chapter section on the Society membership form.
2. Because ASHRAE Society allows only one membership price on its form, students and retirees will no longer get a reduction of \$25 (the number of people involved here is probably 5-10 per year).

The attached membership form should be used to provide information to the Chapter that is not available from Society records, or which may not reach Ottawa until after the Chapter year starts in September (for example address changes). This form should be filled out by:

- All new Chapter members
- Everyone interested in signing up for the meal plan (\$95 this year)
- Members from previous years who have moved home or business address, changed telephone or fax numbers, or changed their preference for home or business mailing.
- Students and retirees if we decide to ask them to pay us directly, or offer them a refund.
- Anyone who did not pay Chapter dues through Society (includes transfers, people who didn't read the Society membership form properly etc...)

BUSINESS CARD ADVERTISEMENTS

There are still a few spots available for the business card advertisements in the 1995-1996 Communique. The cost remains the same as last year, \$200 for the next 9 editions. Contact Randy Cavill at 225-9774 if you are interested in the remaining spots.
