PRESIDENT'S MESSAGE

Rumors abound that people actually read the President's Message in the newsletter. This must stop immediately. Tradition requires the President's Message to be as dull as dishwater; as exciting as watching grass grow, and for absolutely no one to read the entire message.

If you have read this far, stop immediately. Put down this newsletter, remove your tie and think non-ASHRAE thoughts.

Plan to attend Curling in March. Come and participate. Don't worry about your curling ability or lack there of. Sign up for a team.

Internet activity is increasing. Anyone with an interest in computers should help with the new ASHRAE Ottawa Valley Chapter home page on the net. Participate and learn. Call Gabriel Laszlo at (613) 736-2246 or fax (613) 736-3232.

The February chapter meeting will introduce a new method of sequencing the tables for dinner. It is guaranteed to be an improvement over last month's fiasco.

Recommended dress code for ASHRAE events is NO TIES.

Your President,
David Eastwood

Similarly, if you have been an Associate Member for 4 years, you probably can qualify for a full member upgrade. Why not apply for an upgrade. It doesn't cost anything and your chapter can benefit by receiving PAOE points.

Forms can be obtained from Nancy Goldsmith or Rhonda Legault at Trane Canada, 226-1810, or at the chapter meetings. If you do not recall your membership grade, check your listing in the new chapter roster.

MEMBERSHIP DRAW

At the January meeting two free chapter memberships were given away.

The first was drawn from the new members. The winner was Rob Lojk from the Children's Hospital.

The second was drawn from the members who sponsored new members. The winner was Craig Pickering of Modern Mechanical.
