PRESIDENT'S MESSAGE

Welcome to the start of a new ASHRAE year!

Good news! Chapter dues will remain at \$50, thanks to the efforts of last year's Board.

The first event on our calendar is the golf tournament on August 8. For those who take their game seriously or not so seriously, come out and enjoy!

Following this, from 15-17 August, the Chapters Regional Council (CRC) meeting is taking place in London, Ontario. Plenty of opportunities for business and pleasure here too.

Our Chapter program will include September/May barbecues, tours, technical sessions, curling, continuing education and much more. We are working to set things up at the moment, and will give you details in September.

I am honoured to serve as your President and will be working to make the coming year a good one for all local members.

Your President,
Gemma Kerr

..... **SO WHO NEEDS THIS MEMBERSHIP FORM ???**

Again this year, Ottawa Valley Chapter members can pay their dues along with ASHRAE Society dues in July. This service is available to all assigned members, but at a single price, the basic membership fee (\$50). If that is all you need, it is not necessary to fill out the attached form.

HOWEVER, if you want to take advantage of any of the following membership options, you should fill out the form. Please read on.

1. If you are a **STUDENT** or **RETIREE**, you are eligible for the reduced membership fee of \$25.00 offered by the Ottawa Valley Chapter. Please use this form to register and pay Chapter dues. Ignore the Chapter section on the Society membership renewal form.
2. If you are a **LIFE MEMBER**, you are eligible for a free Chapter membership. Please use this form to register. Ignore the Chapter section on the Society membership renewal form.
3. If you would like to register with the **MEAL PLAN** (8 meals for \$110.00) please use this form.

We ask that persons interested in only the basic \$50.00 Chapter membership please register directly with and pay dues to the Chapter rather than through the Society membership renewal form. This may also include new members, transferees from other Chapters, or people with recent address changes (new information reaches us very slowly from Atlanta).

CRC 1996

The ASHRAE 1996 CRC for all Canadian chapters east of Winnipeg is being held August 15-17 in London, Ontario at Spencer Hall Conference Centre, University of Western Ontario.

All chapter members are encouraged to attend. It's a great opportunity to meet ASHRAE members from other chapters and learn how they function.

Hope to see you there.

For further information, call Gemma Kerr, 613-745-3493.

TABLE TOP DISPLAY

Again, in the upcoming ASHRAE year, the Ottawa Valley Chapter will be offering the use of tabletop display area at our monthly Chapter meetings. The cost of these table tops are \$100.00 per meeting. Please contact Randy Cavill, CET by Fax 613-225-2972 if you are interested.

BUSINESS CARD ADVERTISING

There is space, on each ASHRAE Capital Communique for 21 business card size advertisements. This is a great opportunity to get your business spotlighted and recognized by members of ASHRAE. The cost for 1 year's worth of advertising is \$225.00. Please contact Randy Cavill, CET by Fax 613-225-2972 if you are interested. First come, first served.

**ATTENTION
ALL DO-GOODERS AND DO-GOODER
WANNABE'S!**

This is your chance (and there will be more) to join one of Ottawa ASHRAE's exciting committees; but you must volunteer quickly because only an *unlimited* number of people can join these very exclusive clubs.

Seriously now... The success of the chapter depends greatly on the work of its committees. The chairs of the following committees urgently need new members: Student affairs (David Bradley 733-9781), TEGA (Phil Mayfield 787-3871), Refrigeration (Eric Van Benschoten 246-1681) and Telephone (Martin Carriere 723-1259). All these committees do important and interesting work but they need your help. Your participation needs not be detrimental to your career or your family life. This is volunteerism; so you only have to do what you feel you can do! There is much to be done and so far, too few have been doing it. Please contact our committee chairs and volunteer. Apart from the satisfaction of a job well done, you too can discover why so many of our committee members, chairs and governors have unusually large girths (hint: a certain former hockey player's puck-like edibles are usually consumed in impressive quantities at our meetings). Thank you for your support. Call now and reserve your seat!
