PRESIDENT'S MESSAGE

Greetings and salutations to all from the President.

It's hard to believe that summer is over but with autumn comes the promises of another great ASHRAE season. We invite all members and friends to a special September meeting at the National Aviation Museum. Take advantage of a guided tour or relax in the museum's theatre to view a fantastic interview with our friend the late Jacob Klassen.

As we can all appreciate, a successful Chapter such as Ottawa Valley cannot continue to grow and flourish without your participation. All

committees are up and running but need your help. Please take a moment to consider how you can be more involved at the committee level. Contact the chair person of a committee which particularly interests you and volunteer some time. The rewards usually greatly outweigh the effort. Thanks to the Special Events Committee for a super ASHRAE golf tournament. The new location and format contributed to an outstanding success (for next year we should maybe reconsider letting loose Stan Milross with a bullhorn).

I look forward to welcoming you all back in September.

Dale Gaudet

ASHRAE - TABLE TOP DISPLAYS

I have been designated again this year to be in charge of booking table top displays at the monthly ASHRAE meetings here in Ottawa. As you are aware, a great number of the specifying engineers pass by this table in the course of a meeting. This not only generates free advertising for the products on the table, but also awareness amongst potential customers who may not be aware of the full potential of your business.

There are only 8 meetings all year - Sept, Oct, Nov, Jan, Feb, Mar, Apr, May.

This month Longhill Energy Products will be displaying Venmar's Model Economizer + 350. This is an energy recovery ventilator with an enthalpy wheel. It is designed for direct attachment to any standard rooftop allowing for the introduction of up to 50% fresh air with minimal installation costs.

Let me know early so I can book your table.

Thanks,
Randy Cavill

ASHRAE OTTAWA VALLEY CHAPTER 1998 ANNUAL GOLF TOURNAMENT

The Annual Golf Tournament was held Thursday, August 13th at the Greyhawk Golf & Country Club.

Many thanks to the staff and management of the Greyhawk for making our event memorable. The course was unforgiving with 14 of 18 holes with water in play. The new Best-Ball Scramble format made play very interesting and competition was stiff. Here are the results:

Tournament Champions - SHC Controls - Bob Cordukes, Dave Graham, Pierre Richer and Joe Shea; Contractors Award - Dick Chiarelli; Longest Drive - Bob Cordukes; Closest to the Pin - Andrew Lawton; Closest to the Line - Al Lee

Response to the Special Events Committee's campaign for prizes was overwhelming. Thank you to all participants who brought along prizes . . . your continued support helps make these events successful. FuTech, Ideal Roofing, JB Electric, Len Murray Supply, Lennox, McEvoy Lock, McGill Louvers, McKee Engineering, Nailor Industries, Ottawa Fasteners, York International and any others that we may have omitted. Watch for details on this Spring's Curling Bonspiel!
