## PROGRAM

**DATE:** May 18, 1999

**THEME:** HISTORY

**SPEAKER:** MS. ANOUK GUILLAUME  
KPMG, QUALITY REGISTRAR INC.

**SUBJECT:** INTRODUCTION TO ISO14000

ISO14000 standards produces documents which cover a range of environmental disciplines including environmental management systems, auditing, environ-mental performance evaluations and life cycle asesments. These documents establish an international reference framework for achieving continuous improvements.

Implementation of an ISO14000 program can reduce energy consumption, reduce waste production, contribute to compliance with regulatory requirements and improve the corporate image of a business.

Many ASHRAE Members may be considering ISO14001 Registration for their companies or have clients who have implemented one. Become familiar with this important certification procedure as the implication for ASHRAE Members may be significant.

## MENU

## PRESIDENT'S MESSAGE

Greetings and salutations from the President.

BAR-B-QUE!!! Is there any better sign that spring is in the air and that summer is on its way than the OVC May meeting? It is hard to believe that our year is coming to a close. I have thoroughly enjoyed my year as President. Many thanks to the executive committee and governors for your support, encouragement and efforts. I look forward with anticipation to serving the chapter as past-president.

Good luck to the new board and I wish all the new members a happy summer. My final encouragement to all would be to become more involved with our chapter and Society. It is the members and their efforts which make ASHRAE the world's leading technical society.

I hope to see you and your guests at the May meeting.

Dale Gaudet

## TECHNICAL SESSION

- Tech Session: The Psychrometric Fundamentals, Part II
- Session Speaker: Jason MacMurdo - R.J. McKee Engineering Ltd.
- Topic: The technical session this month, is a continuation of our review of the fundamentals of psychrometrics, the science of moist air properties, with emphasis on the psychrometric chart
- Where: Hellenic Centre
- When: Tuesday, May 18, 1999
- Time: 5:30 p.m.

## ASHRAE - TABLE TOP DISPLAYS

Walmar will be hosting one table top this month. We will be showing Belimo's line of controls. Belimo offers a wide variety of both 120V and 24V actuators, available in many configurations and with many options.

LeGroups Master will be hosting the other table top this month. They will be showing the new control panel for York Chillers, the AIRPAK air handler from York, and the custom air handler from Ventrol.

Contact Randy Cavill (225-9774) if you are interested in presenting a table top display at future meetings.

## ADDRESS CHANGES

If you have any address changes, please notify Atlanta as soon as possible. The new toll-free number for ASHRAE Society is 1-800-5-ASHRAE (1-800-527-4723). You can use it for a variety of services including general information, same-day address changes and credit card payment of membership dues, meeting registration or bookstore purchases.

## WHAT YOU MISSED

Our April meeting's program featured an evening technical session that included a comprehensive review of psychrometric fundamentals followed by a main program that included an excellent discussion and overview of operational issues pertaining to the use of alternative refrigerants and polyolester oils. Our speaker for the evening was Mr. Andre Patenaude from ALCO/Copeland. Our Refrigeration Night meeting was attended by 3 Region II Officers, Darryl Boyce, Michel Bernier and Hugh Crowther.

## MEMBERSHIP

Our quest for Membership Advancement continues! Help our Chapter gain valuable Presential Award of Excellence (PAOE) points. There is no cost to the Member and as an added incentive, after processing your Membership Advancement, ASHRAE Atlanta will issue a \$20.00 voucher which may be redeemed for the purchase of ASHRAE logo merchandise, certain ASHRAE publications or Winter Meeting Registration fees.

Advancement criteria and application forms will be available at the Registration desk at the May 18, 1999 Chapter Meeting. Please ask for one.

## HONOURS AND AWARDS

ASHRAE has recognized two Ottawa Valley Chapter members with the honour of its Distinguished Fifty-Year Member Award. This award recognized individuals who have been ASHRAE members of a minimum of fifty years, were a past Society president, a Fellow, recipient of the Distinguished Service Award, or otherwise performed outstanding service for the Society. We will welcome and honour Mr. Dalton McIntyre and Mr. Wallace Lloyd Algie at the May meeting. Please plan to attend.

## RESEARCH PROMOTION

A member of the research promotion committee will contact you soon. Please give generously. Your contribution and support are greatly appreciated.

## CONSTITUTION AND BYLAWS

The chapter executive committee is presently reviewing the Constitution and Bylaws. This is in line with the Society policy of updating chapter bylaws as follows:

### ARTICLE III - MEETINGS AND MEMBERS

**3.1 Regular Meetings** Meetings of the Chapter shall be held on at least a monthly basis from September through May at such time and place as is prescribed by the Board of Governors.  
*Change to:* Meetings of the Chapter shall be held on at least a monthly basis from September through May excluding December at such time and place as is prescribed by the Board of Governors.

### ARTICLE VI - OFFICERS

**6.1 Titles** The officers of the Chapter shall be President, a President-Elect, a Vice-President, a Secretary, and a Treasurer.  
*Change to:* The officers of the Chapter shall be President, a President-Elect, a Past President, a Secretary, and a Treasurer.

If there are any concerns or issues you would like to discuss regarding these changes, please contact a member of the Board of Governors.

## THANK YOU TELEPHONE COMMITTEE

The Board of Governors would like to thank the members of the Telephone Committee for their diligence and effort during the 1998-1999 season.
