Greetings!

As many of you are aware, the Ottawa Valley Chapter celebrates a major milestone this year: its 50th Anniversary. To kick-start this yearlong celebration, I invite you to attend the 50's theme banquet and dance on the evening of Friday August 22, 2002 during the Chapters Regional Conference (CRC) hosted by our Chapter. As always, we know how to combine hard work and lots of fun!

I am looking forward to serving the Chapter this year. As chapter president, I would like to improve communication with our Region and Society, and promote new membership by forming alliances with other professional societies. We already have a great team in place working hard to finalize the organization of the upcoming CRC, setting up the program for next year and making sure that the Chapter operates smoothly. As always your help either in term of time or comments is welcome.

In closing, I would like to remind you of some upcoming events:

Ottawa CRC 2002 from August 22nd to 24th at the Chateau Laurier

Chapter's annual golf tournament at a new location, The Meadows Golf & Country Club.

Last but not least, I would like to congratulate our outgoing president Frank Bann for his effort in streamlining the delivery of the electronic Communiqué and for his continuous commitment to our Chapter History.

Have a great summer and I look forward to seeing you at our 50th Anniversary Celebration.

What You Missed

May's meeting was a great meeting with over 20 Past-Presidents and many guests in attendance. The technical session with the Past-Presidents was a success and the evening program on the Library of Parliament retrofit project was a good look at our Nations Capital's history. The new board was sworn in and the Chapter breaks for another summer. See you at golf, The CRC and Septembers Chapter meeting.
