Re: Financial Audit for Fiscal Year 2010 - 2011
ASHRAE Ottawa Valley Chapter

I have audited the balance sheet of ASHRAE Ottawa Valley Chapter (the "Chapter") as of July 2, 2011 and the related statements of income, retained earnings, and cash flows for the fiscal year then ended. These financial statements are the responsibility of the Chapter's management. My responsibility is to express an opinion on these financial statements based on my review.

I conducted my audit in accordance with auditing standards generally accepted in Canada. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Chapter as of July 2, 2011, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in Canada.

It should be re-iterated that a potential conflict of interest was disclosed to the Board of Directors prior to my appointment as Financial Auditor, and was deemed acceptable by the Board.

Sincerely,

Ms. Lan Chi Nguyen Weekes, P.Eng., ing.
Past-President ASHRAE OVC
