

AUDITOR'S REPORT

To the Executive and Board of Governors
ASHRAE Ottawa Valley Chapter

I have audited the books, records, cash flows and statements of the ASHRAE Ottawa Valley Chapter as at June 30, 2012. These records were the responsibility of the Chapter Treasurer, Roderic Potter, for the period July 1, 2011 through June 30, 2012. My responsibility as appointed auditor is to express an opinion based on my review.

In my opinion, the books and records have been managed on a consistent basis in accordance with generally accepted accounting principles and are free of material misstatement.
