RG	Ron Gagnon	DRC Region II		rgagnon@pageaumorel.com	

Item	Description	Action
1.	Website	
	Hanna currently working on Wordpress template, working on updating historical data. Goal is to have mobile friendly website that is also easy to update.	
	Will be getting Simple Signup update by new year. Will be getting new platform that is more mobile friendly. Can upload Society member spreadsheet directly to Simple Signup. JBu can provide some training on new platform.	JB/JBu
	Sept: Working with Easy-on-net to get everything connected due to Rogers handoff.	
	Oct: meeting on Oct 30th w/ Hanna. No regular update from Hanna, expecting a demo on the 30th.	
2.	Sandy Tasks	
	Discussion to be taken offline. Group to collate list of "Sandy tasks".	
	BOG to appoint member to send meeting invites to past presidents. Should be living document to capture when past presidents move.	
	Secretary to be responsible for sending out monthly Communique.	
	Discussion to be had about whether to hire a new "Sandy" to take on event planning and aid CTTC. CTTC to help define what this role would entail. Chapter to talk to Amanda (bookkeeper) if this is something she would like to do.	AM/EM/JBu
	Creating a hard deadline on meeting registration would really help CTTC in managing the venue.	
	Evans suggest making "Sandy tasks" a rolling position to ensure continuity of knowledge within the chapter. Need to revisit making this a chair position or something similar.	
	Sept: AM to set up a meeting to discuss.	
	Oct: Meeting was held in October, Sandy tasks divided through chapter roles. Summary email to be posted on Basecamp. BOG to consider hiring for a Chapter Director role and putting the role in the Communique.	

Item	Description	Action
	Discussion had on whether we should do chapter monthly financial reports again.	
	JBu to send budget to each chair. JBu to also send out expense report procedure. We may change expense report to google form and put on website.	
3.	Boat Cruise (MP/YEA/SA)	
	The boat operator has its own insurance. BOG believe this means insurance won't be an issue with ASHRAE. Cost is \$40 a head. Targeting Tuesday, Sept 26 th . Goal is to break even. Attendees will pay for their own drinks. Donation list to be sent to chairs for fundraising efforts. Boat can accommodate up to 80+. Will not be private to ASHRAE.	JBu
	Sept: Good to go.	
	CLOSED	
4.	Curling	
	Mitch (Condair) is assigned to curling chair. Try to hold a date at Nepean Sportsplex as soon as possible. Sept: Mitch inquiring on how many sheets we need. MS is also monitoring the situation.	Mitch/MSp
	Oct: no new update	
5.	Nametags	
	MM to coordinate with Abby to get updated past-presidential nametags.	
	Sept: AS about to go on vacation. Should also get regular nametags (would need to be new budget item to be voted on). MM to cover.	JBu/AS
	Oct: need to order both presidential nametags and regular nametags. Hamilton uses printed stickers with name and position for every meeting. This item to be carried forward as a future item for future discussion. EP to reach out to Hamilton and find out how they do their tags and the cost.	
	,	

Item	Description	Action
-		
6.	Program Meetings	
	Trevor has 3 possible venues, ranging from \$47-88 per head. Centurion	
	plated was around \$54 per head. Centurion buffet was \$38 per head. Last	
	year's budgeted cost was \$25,000. Ended up a little over \$26,000.	
	If Chapter is going to increase cost, preference is to increase cost by a	
	couple dollars spread out over the year instead of bumping up the cost of	
	the September/May meeting only.	
	Cheapest option for September is Westboro Masonic Hall plus our own	
	catering. Comes to around \$78 per person.	
	Infinity conference centre is just under \$10k for everything.	
	NCC Riverhouse now does events. MS to coordinate with TT for contact.	EW/DE/TT
	Venue price is \$3k not including food.	, ,
	Venue price is 33k not including rood.	
	All Saints event space was \$13k.	
	General feel from the group was to go with a "medium" priced option, i.e.	
	NCC Riverhouse or Infinity Conference Centre.	
	Sept: Good on content going forward. Going back to buffet for future	
	meetings. Encore to comp audio for audio malfunction in September	
	meeting. People liked the location and content and it was generally well	
	received.	
	Oct: info captured in CTTC update. November meeting is set. All regular	
	meetings will be buffet (except March campus meeting and May meeting).	

Item	Description	Action
1.1	Seminars	
	No seminars currently planned. Eli to begin planning. Tom Phoenix would be willing to do a seminar, planning for February (or around that time).	
	Connor Ruprecht is tentatively assigned to seminars. MS also assigned to seminars.	
	If we have a seminar booked, MM to create a simple signup ASAP so the seminar can be promoted.	EW/MS/MM
	Sept: EW to follow up on seminars. Tom Phoenix may be an option for February.	
	Oct: covered in CTTC update. Tom Phoenix has been contacted regarding spring seminar. Will be doing Achieving Zero Energy and Building Carbon for the seminar. Tentatively booked for February adjacent or same day as Chapter meeting.	
1.2	Sponsor-a-student/student donations	
	Want to send student from our chapter to the Chicago meeting. How do we find the student? Can it be done through RP? EP and ZL will find candidate and propose the framework. Can ask if people will sponsor student.	
	Can setup a different "event" to register to sponsor students.	EP/ZL
	Oct: if a student reaches out to Chapter, Chapter will help. Chapter will not pay for students to go to Chicago. TT brought up that once someone is registered, they can't go back in a sponsor a student. There is a separate link available to sponsor a student.	
1.3	Retractable banner/sign	
	AM: I would like to table getting one of those retractable banner/sign ~\$250 (Vistaprint) and getting ASHRAE communications group to help us design. I'm recommending Single sided, 33"x81", standard plus base, vinyl. I think it will be helpful to have outside the room where you register. https://www.vistaprint.ca/signs-posters/retractable-banners	AM
	Oct: should look into getting a table skirt for the front table	

Item	Description	Action
1.4	MP agreeing to plan bowling event. MP will be away Nov 15-25 and will coordinate around that. Oct: currently 3 teams registered plus one solo.	MP
1.5	Registration Deadlines Chapter will continue with hard registration deadlines. EP suggested having registration open for the next month's meeting a week before the current month's meeting (i.e. November meeting registration opens before October meeting)	ММ
1.6	Consider having some incentive for chapter members signing up for meetings early. Quebec City has great attendance, and they offer a drink ticket for early registration, and have all their dates set by Labour Day. Consider making late registrants sponsor a student. Goal is to try to avoid doing backdoor links to get late registrants in. Another solution is to open the next month's link the day after the current month's registration has expired.	ММ

PAOE as of 10:00pm Oct 19, 2023

Chapter Operations: current: 255 / min: 600 / PAR: 1200

Research Promotion	Action
Goal met for 2022/23, Evans going to regional training	
September: Chicago training complete. Centralized training complete. Committee of 6 people this year. Full Circle is due November 15 th .	
October: Evans attended central training, additional training session is Oct 31 ^{st,} virtual. EM will attend. Currently close to 25% of our goal. Next goal is 30% by Dec 31 st which we are on track for.	EM
We did try the Table Tents for RP donation recognition in the Oct meeting. Allows people to scan QR code and donate to RP right from their table. Cost was \$10 per tent, can get cost down to \$4 per tent. Passed vote to do this for each month.	
PAOE: current: 158 / min: 800 / PAR: 1050	

Student Activities	Action
Zach is prepping for year, working on getting La Cite student chapter	
September: 9 students at September meeting. ZL to reach out on sorting out membership with chapter. Reaching out to student branches and their planned activities for the year. Lots of new U of O students. Looking to restart the branch. Also trying to restart La Cite. Scholarship deadline coming up.	ZL
October: held committee planning meeting, developed strategies for who reaches out to which branches. Contacts have been reached out to for booking spring tours. JBu to assist ZL in contacting venue for career fair.	
PAOE: current: 565 / min: 500 / PAR: 800	

Membership Promotion	Action
September: Goal is 424 members by June 30 th . Currently at 454. 6% delinquent members. 24 new members since May. 26 students, 2 delinquents. EP to reach out to Jason Alexander on paint night. Working with MS to set up a women's hockey team event.	
October: 458 total member currently. 30 are students. Currently at 8% delinquency. Those in delinquency have been reached out to. Currently on track for goals. JBu will assist EP in cross referencing chapter membership list with society membership list. OCA reached out to hold paint night at their location. Paint night will likely be Feb/March.	EP
PAOE: current: 725 / min: 1000 / PAR: 1600	

YEA	Action
Joint YEA/SA boat cruise event PAOE points available for YEA attending YEA training.	
September: Riverboat next week. March career fair will be joint with SA. YLW – Need to talk to managers of endowment. Will have to target spring, November is sold out. AM to reach out on endowment timing. Tailgators in early November.	JBu/AM
October: Boat cruise was a success. BOG will discuss if Tiki boats are a better fit for next year. TT suggested possibility of doing a boat cruise in Gananoque. Tailgaiters event coming up in November. YEA members encouraged to apply for awards.	
PAOE: current: 1650 / min: 300 / PAR: 800	

СТТС	Action
Two local DLs (non official DL visit) for Sept and October Official DL visit for November 3 projects ubmissted for tech awards. Two won fist place inregional, one was 2 nd place. CTTC to follow up for society consideration. Will need to pick a meeting for recognition (likely CTTC themed night, February)	
September: September went well. October is Mick Schweidler. November is up for grabs. Couldn't get DLs. Don Weekes may be an option for November on new aerosol filtration standard.	
Tech sessions: Mick for October, Liz for November.	
Tech tours: Program planning had some options: CABER, Confed plant, River Road test chamber, Cliff plant, Carleton CHP.	
PDH Certs: Hamilton put forward a template at CRC. Can do this at Simplesignup. AM to follow up with John Withnall.	DE/EW/TT/AM
Certification programs: CTTC can discuss one per meeting in the business sessions. Slides were provided at CRC.	
DE is ordering the speaker gifts (commemorative coins) for next ASHRAE year.	
Program and CTTC to merge resources going forward to make processes smoother with division of labor.	
October: EW looking for seminar speaker in November. 90.1 seems to be the preferred topic. 62.1 was 2 nd place. Don Weekes could be approached as a potential speaker. Also some interest in ASHRAE 241. Contact Dan Redmond for November tour at Carleton. Housekeeping slides can be streamlined for next month, perhaps a Google Drive that	

the BOG can edit. JBu to send google drive link to EW. Next meeting has HTS lined up to talk about Wastewater heat recovery.

PAOE: current: 600 / min: 550 / PAR: 1050

GAC	Action
No update, MM to be chair and attend CRC training MM to appoint two volunteers	
September: Nothing currently to update. MM to update.	
October: EM suggested idea of approaching City of Ottawa for an endowment or scholarship for an Algonquin College student taking the energy management course. EM can provide some contacts at City of Ottawa (Shawn Menard) as chair of environmental/climate change committee. JBu also brought up idea of talking to Adam Kurz to set up a meeting with Maxime St Denis' team to have a decarbonization presentation to the Federal public works side. Ghina would be a great candidate to do the presentation.	MM
PAOE: current: 300 / min: 500 / PAR: 1000	

History	Action
MM to bring History items to Grand Bend for CRC JBu inherited box of Treasurer items, History chair to sort through. Will be dropped at TotalHVAC.	
September: No update. Getting Bhavneet up to speed.	DC
October: No update, BS continuing to take pictures and video at meetings. Videos to go on Basecamp. EM to invite BS to Basecamp.	BS
PAOE: current: 100 / min: 100 / PAR: 300	

Publicity / Communications	Action
Connor Patterson to be P&C chair Tasked to do BOG and Exec social media updates Hanna to update front page of website	
September: Need to email CP for LinkedIn events.	СР
October: No update	
PAOE: current: 0/ min: 300 / PAR: 700	

Diversity, Equity, & Inclusion (DEI)	Action
No action currently planned. MS to do research on how to engage this role.	
September: Looking at women's hockey team event. League starts in January.	MSp
October: Paint night, women's hockey events to be planned.
